On emergency supply of
Hydrogen gas analyzer

Dear Mr. Ghaffari,

We refer to the Contracts for delivery of spare & replacement parts and reserve equipment for Bushehr NPP №SP-BNPP-1-2017/309/1265-D dated May 2017 (The Contract 1) and SP-BNPP-1-2018/309/1575-D dated September 2017 (The Contract 2).

With reference to your letter No.LTR-1000-200783, dated June 14, 2018 on emergency supply of hydrogen gas analyzer (Serial No. of payment 2-C10.14-007.0418) please be informed that the Supplier is ready to include the aforementioned Goods into the volume of the Appendix No.1.1 to the Contract 2 for high-priority shipping.

Nevertheless, please be informed that shipment of the Goods requires successful solving of the following issues:

1. Opening of the L/C regarding the Contract 2.
2. Customs clearance of the Goods shipped in the volume of the Contract 1. This issue requires transferring of the original documents approved by the Central Bank of IRI to the customs broker approved by the Customer through our representative in Tehran.

We earnestly ask you to expedite the solving of the aforementioned issues.
