Subject: WANO MC International Workshop on Performance Indicators

Dear Mr. Ghaffari,

According to the WANO MC 2019-year plan Moscow Centre and Paks NPP organize an international annual workshop on the theme "WANO Performance Indicators". This event will be held in Paks, Hungary during **28-30 May 2019**. The main topics of the workshop will be:

- status of PI Programme, WANO-MC 2018 results and Annual PI Report;
- PI Programme changes;
- detailed consideration of the generation and fuel reliability groups performance indicators;
- strengths in the operation of NPP, contributing to the improvement of the level of operation and performance indicators;
- use of the results of the analysis of WANO PI in the process of conducting peer reviews;
- changes and challenges.

We would appreciate if the representative of your plant, responsible for WANO performance indicators, could participate in this workshop and support it through sharing his/her experience, opinion and questions in this field. Announcement on this event and registration form are available in section «Announcements» on the WANO MC website www.wanomc.ru. We would be grateful if the filled registration form and a passport copy reach WANO-MC office before **29 March 2019**.

Considering the event expenses, lodging during the event will be covered by WANO Moscow Centre. Travel expenses and per diem allowance of the participant are to be covered by his/her home company.

Should you have any questions related to the PI workshop, please, do not hesitate to contact the event coordinator Mr. Andrii Pidipryhora (podoprygora@wanomc.ru), WANO MC Adviser.

I hope for continued fruitful cooperation.

Best regards,

Mr. Vasily Aksenov
Director
