Subject: on training schedule change

Dear Mr. Ghaffari,

Due to necessity of a new (F-30) permits processing for the trainers who will conduct theoretical training for Bushehr-1 NPP maintenance personnel in the Islamic Republic of Iran, we would like to inform you about some changes in training schedule which shall be done with purpose to bring it up to date with current situation.

Please find attached a revised theoretical training schedule for 2018 for your consideration.

Attachment: Schedule for theoretical training for advanced training for 2018.

Alexey Emelianov
Deputy Director General – Technical Director
