On TCP for communications system

Dear Mr. Ghaffari,

With reference to decisions of the Minutes of meeting of representatives of BNPP, JSC ATEX and JSC Infotek and Communications (АО «Информтехника и Связь») at BNPP dated 21.02.2018 on communications system modernization, we send you the technical-commercial proposal regarding the relevant spare parts. Value of the TCP equals to 1 247 002.30 (one million two hundred forty seven thousand two and 30/100) euro on ExWorks conditions.

We kindly ask you to consider and approve this TCP for including these Goods into the Volume of the Contract SP-BNPP-1-2018/309/1575-D.

Please be informed that the delivery term mentioned in the TCP (9 months) starts from submitting of the signed Appendix to the Contract to us.

Attachment: TCP on spare parts by JSC Infotek and Communications.
