Subject: WANO Peer Review of the Bushehr NPP

Dear Mr. Ahmadian,

In reply to your letter No. LTR-4100-9165699 dated February 20, 2013, we consent to your proposal to conduct the follow-up peer review of the Bushehr NPP in November 2103.

Nevertheless, as we have already indicated, conducting a follow-up peer review, rather than the first full-scope peer review of the new plant, would come into contradiction with the requirements of WANO Policy Document 2, "*Membership Obligations*".

As regards the dates, we suggest that the follow-up peer review be conducted by a team of seven experts in the period of **November 2 – 6, 2013** (i.e. five working days).

We would be grateful to have your reply by April 30, 2013.

On all matters regarding the follow-up peer review please contact Mr. Vasilij Galkin, WANO-MC advisor, by email at galkin@wanomc.ru or by phone at +7 499 271 48 74.

Thank you very much for your support of the WANO peer review programme.

Yours sincerely,

Mikhail Chudakov

Director, WANO Moscow Centre
