**Subject: WANO MC Workshop**

Dear Mr. Banazadeh,

In accordance with the 2022 Business Plan, WANO Moscow Centre in collaboration with NPP Paks II will conduct the workshop on “Raising Awareness of Nuclear Safety Culture and the Commitment of Leadership” on 24 - 27 May 2022, in videoconference format.

WANO Moscow Centre invites Heads of Division and Departments, and lead experts - WANO members (for design and construction phase of NPPs), as well as representatives of other WANO Regional Centres, NPP operators having experience in the area of Nuclear Safety Culture area.

Topics for Discussions:

1. Practical tools/methods are used by leaders to raise awareness of Nuclear Safety Culture.
2. Practical tools/methods are used by leaders to express the commitment of the Nuclear Safety Culture and Leadership.
3. Practical tools/methods are used to encourage employees to report problems.
4. Practical examples of interpreting safety culture for design and construction phase of NPPs, as opposed to operations phase.
5. Methods applied to conduct periodic self-assessment of Nuclear Safety Culture.
6. The relationship between Nuclear Safety Culture and Nuclear Leadership.

Workshop announcement and registration form are attached to this letter and also available on the public WANO MC Website: <https://new.wanomc.ru/en/>

We hope that the topics selected for the Workshop will be interesting and useful for the members. Any suggestions on topic-related issues / good practices are welcomed by WANO MC for their consideration during the Workshop.

We would appreciate it very much if a representative of your organization could participate and make a presentation at the Workshop.

Participants are kindly requested to send their completed registration forms to the workshop coordinators at [lesin@wanomc.ru](mailto:lesin@wanomc.ru) and [szlamai@paks2.hu](mailto:szlamai@paks2.hu) by 18 April, 2022, and provide their presentations in English by 5 May, 2022 (in support of simultaneous interpretation).

**Best regards,**  
**Mr. Vasily Aksenov**
