Subject: Change to the WANO Performance Objectives and Criteria

Dear Mr. Ahmadian,

Please be informed that new combined WANO Performance Objectives and Criteria (PO&Cs) in Emergency Preparedness (EP) and Severe Accident Management (SAM) have been developed to include SAM in the WANO activities. These new EP/SAM PO&Cs have been issued as an addendum to supersede the existing EP PO&Cs and will be used on WANO peer reviews starting from **1 January 2019**.

On 23 March 2018, Mr. Peter Prozesky, WANO CEO, sent out a letter to all WANO member CEOs informing them of this change in the PO&Cs.

To prepare for the peer reviews to be conducted after 1 January 2019 onwards, we hereby send you the following documents:

1. Letter from WANO CEO dated 23 March 2018 on this change to PO&Cs, in English and Russian.
2. The new combined EP/SAM PO&Cs, in English and Russian.
3. The "How to review EP/SAM on WANO Peer Reviews" document, in English and Russian.

Many thanks and best regards,

Vasiliy Aksenov

Director, WANO Moscow Centre
