No

To: Mr.E.A Salkov

Director General of Rusatomservice

Sub: Status of Modernization of ACC System of the Bushehr NPP

Dear Sir,

In reply to your letter No.340-01.20/224 dated 14.02.2018 for modernization of Automated Measurement System of Chemical Parameters of secondary circuit of the Bushehr NPP- Unit 1 and after receiving the initial proposals of Russian contractors, we will inform you that, request for modernization of ACC has been removed from the working schedule of the BNPP Operating Company for the current year and if necessary, this matter will be pursued in the future.

Sincerely yours

H.Ghaffari

Bushehr NPP Manager and Managing Director
