**Subject: Operating Experience Reference Manual MN01 Rev. 8**

**Dear Mr. Ghaffari,**

WANO Lo Performance Analysis Central Team (PACT) issued and published the 8-th revision of the Operating Experience Reference Manual. English and Russian electronic versions of the document are available on the WANO & WANO-MC Member Web-sites.

The purpose of this manual is to provide a ready reference and assistance to the personnel responsible for the event reports submission to WANO Data Base.

In 2017 Bushehr NPP submitted 6 reports to WANO DB. The average number of the published reports from WANO-MC is 3.8 per unit in 2017. We hope and appreciate that the new version of the document will give the further promotion to your personnel for operating experience exchange among WANO members.

I hope for continued fruitful cooperation.

Best regards,

**Mr. Vasily Aksenov**
