Dear Sir,

In reply to the letter No.340-01-20/1111dated 02.11.2017 on technical support related to the Financial-Technical performance indicators, taking into account the fact that the BNPP-1 will be hosting the OSART Program in the near future, it is necessary that all the human resources available be focused on eliminating the existing comments.

Furthermore, in order to make use of the recommendations of the dispatched specialists in an optimal manner, the methodology of calculating the indicators should be examined by the BNPP-1 experts in more details.

Therefore, considering the abovementioned, the BNPP-1 is planning to utilize the expert consultation of the specialists for calculating the Financial-Technical Indicators at the earliest opportunity in the future.

**Sincerely yours**

**H.Ghaffari**
