To: Mr.E.A Salkov

Director General of Rusatomservice

Sub: Supplying the SG Clipping Cap & Dryer

Dear Sir,

Please be informed that in view of the inspection activities considered for the two steam generators for the next PPM (2019) of BNPP-1 and also on the basis of videoconference meeting convened with attendance of your Company's representative dated 01.08.2018, you are kindly requested to give instructions to the relevant department for providing TCP based on experience of Russian NPPs to supply two pairs of clipping cap and 1 set of related dryer for SG within the framework of Attachment No.1.4 to the Contact No. SP-BNPP-1-2018/309/1575-D./

Sincerely yours

H.Ghaffari

Bushehr NPP Manager and Managing Director
