Subject: Scope of works for Stage 4

Dear Mr. Ghaffari,

As you know the Principal shall send to the Contractor "Particular Bill of Quantities of the Executor" no later than 8 months prior the commencement of PPM as it stated by Attachment 15 to Contract No.PPM/T-4100 and then send an "Application for specific scopes of works" **and price** for each stage (stages 4, 6, 8) of Maintenance and Repair of BNPP Unit No.1 to the Contractor for approval not later than 6 (six) months before the work commencement as it stated by item 5.1 of Contract No.PPM/T-4100.

Taking into account above mentioned fact as well as term of the Unit disconnection from the Grid we are kindly asking you to send us an "Application for specific scopes of works" and price for Stage 4 under Contract No.PPM/T-4100 as soon as possible.
