Subject: WANO Moscow Center Workshop

Dear Mr. Ghaffari,

Please be informed that in accordance with the Action Plan WANO-MC jointly with SE "NNEGC "Energoatom" (Ukraine) are organizing an international workshop "TRANSITION OF NPP EQUIPMENT TO CONDITION-BASED MAINTENANCE". NPP and WANO-MC members' specialists having experience in implementation of condition-based maintenance (CBM) are invited to participate in the workshop.

Workshop days – February 12,13 2019. The following issues are a subject for consideration during the workshop:

- Procedure for selection of systems (components) when transferring equipment to CBM. Criteria for equipment transition to CBM;
- Methods to assess the frequency of expected failures, risk assessments during the equipment transfer to CBM;
- Monitoring methods of parameters defining the technical status of: the equipment transferred to CBM; applied equipment; devices, control and diagnostic systems;
- Types of compensatory measures applied for the equipment transferred to CBM;
- Methods to determine the predicted time of the equipment transferred to CBM:
 - Calculation of intermaintenance period;
 - Determining the frequency of taking the equipment out of service for repair.
- Procedure to provide spare parts and material assets needed to repair the equipment transferred to CBM.

The workshop venue- Kiev, (Ukraine). Information letter and a registration form are allocated on WANO-MC open web-site (<https://new.wanomc.ru/>). We are asking you to assign a representative of the organization to participate in the workshop. Please forward the representative's completed form to the coordinator's following e-mail: iablokov@wanomc.ru before January 14, 2019.

Expenses for WANO members' lodging during the workshop will be covered by WANO-MC, travel expenses as well as per diem allowances are to be covered by home organization.

Best wishes and hope for further cooperation,

WANO-MC Director,
Vasily Aksenov
