Subject: Summing-up on repair  
and discussion of the new contract

Dear Mr. Ghaffari,

For the purpose of summarizing the results of the activities performed within the PPM-2017, JSC Rusatom Service is proposing to convene a meeting at the Bushehr NPP Site on July 01 and 02, 2017. In the course of the meeting we would like to discuss the scopes of the executed work and execution deadlines and touch upon the major problems faced during execution. An assessment of the quality of the repair activities shall be given and suggestions for improvement of repair organization and performance will be introduced at the meeting. JSC Rusatom Service will provide a detailed report on the results of the performed repair.

Besides, we are kindly asking you, jointly with NPPD, to organize convening of negotiations in Tehran between July 03 and 05, 2017 for discussion of the new M&R and training draft contract.
