**Sub: Preparing the Location for Testing and Starting up the Cutting Device of the  
Reactor Surveillance Specimen**

Dear Sir,

In reply to the clause 10 of the MOM of videoconference meeting dated 24.01.2018, we are writing to inform you that the location for testing and starting up the cutting device of the reactor surveillance specimen has been selected based on the opinion of the NIKIMT Company present at the BNPP site and the aforementioned location is under preparation.

Furthermore, the BNPP will build the stand for the surveillance specimen cutting device by the overhaul 2020 and at the moment, the stages of design/drawing approval and redesign are in progress.

**Sincerely yours**

**H.Ghaffari**

**Bushehr NPP Manager and Managing Director**
