Yes

**To: Mr.E.A Salkov**

**Director General of Rusatomservice**

**Sub: Requesting for TCP**

Dear Sir,

Please find enclosed list of technical specifications of insulation block along with the drawings related to the main pipelines, pressurizer, and blanket - rope insulation for receiving your TCP. In view of the activities planned for the next PPM, insulation blocks, as specified in column "11" of the attached table, should be supplied for PPM 2019.

Therefore, you are kindly requested to issue necessary instructions to the relevant department to expedite the submission of TCP.

**Sincerely yours**

**H.Ghaffari**

**Bushehr NPP Manager and Managing Director**
