

11 JAN 2017 № 4/03-06/219

Mr. H. Derakhshandeh
Deputy Managing Director for Technical and Engineering
Nuclear Power Production & Development Co. of Iran

Dear Mr. H. Derakhshandeh,

In accordance with our mutual agreement, the KASKAD program installation should be organized during the last week of January, 2017. Therefore, let me propose you to conduct the program installation within the following work schedule:

- 30.01.2017 – arrival of our experts (4 people) at IKIA, transfer to the Mehrabad airport and departure to Bushehr;
- 31.01.2017, 01.02.2017 – program installation at BNPP-1 (on 3 computers);
- 02.02.2017 – departure to Tehran;
- 03.02.2017 – day off;
- 04.02.2017 – 06.02.2017 – program installation in TAVANA (on 2 computers) and NPPD (on 1 computer);
- 07.02.2017 – departure from IKIA.

Please arrange the necessary activities for the work of our experts.

We will additionally inform you about the flight numbers of our experts (in Tehran, Bushehr and back).

In addition, please be informed that these 6 computers should satisfy the technical requirements, presented in the attachment.

Attachment: 1. Scans of experts' passports, 4 pcs.

2. Technical requirements for the computers on 1 page.

Sincerely Yours,
P. Lavrenyuk
Senior Vice President

11.01.17
