

## WANO Performance Indicators Workshop

28<sup>th</sup> – 30<sup>th</sup> May 2019, MWM Paks NPP Ltd., Paks, Hungary

WANO Moscow Centre is pleased to announce a WANO Performance Indicator Workshop.

### The objectives of the workshop

To familiarize participants with the WANO Performance Indicator Programme, its usage and its commitments and encourage participants to use the indicators for trending and assessments by application of the tools provided on the WANO website.

### The topics of the workshop

- WANO Performance Indicator Sub-Programme
- WANO – Moscow Centre 2018 results and Annual PI Report.
- PI Sub-Programme changes.
- Detailed consideration of the “Generation” and “Fuel reliability” performance indicators groups.
- Positive practices in the operation of NPPs, contributing to the improvement of the level of operation and performance indicators.
- Using the results of the analysis of the WANO PIs in the peer reviews.
- Changes and challenges.

### Target group

The target group for this Performance Indicator Workshop is personnel who are responsible for collecting and usage exercises.

### Arrival and Departure

Workshop participants are advised to arrive and settle in a hotel in Paks on Monday, **May 27th**. The workshop will begin on **May 28th**. The workshop is scheduled to finish at 17:00 on **May 30th**. Paks NPP will provide a meeting and transfer seminar participants from Budapest to Paks, and back to Budapest and to the airport on **May 27th** and **31st** respectively.
